THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 9:00 A.M. TO 6:00 P.M.
ON MARCH 13, 1979

To the Inhabitants of the Town of Warren in the (.S.) County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Warren on Tuesday, the 13th day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same, establishing a salary of \$500 per year for the office of Selectman.
3. To hear reports of Selectmen and other Town Officers and pass any vote relating thereto.
4. To raise and appropriate the sum of \$26,200 to maintain highways and bridges and take any vote relating thereto.
5. To see if the town will vote to accept under Chapter 241, Sec. 2, as amended provides for Class IV and V construction, reconstruction or Betterment Aid, and raise and appropriate or set aside an amount equal to not less than fifteen percent of the appropriation made to it in apportionment, for said purpose, the sum of \$434.76, the State to contribute \$2,898.40.
6. To see what action the town will vote in planning for the future use of Betterment Aid funds which will be available this year and/or in subsequent years.
7. To raise and appropriate the sum of \$2,600 for the Town Library, including salary of the Librarian.
8. To raise and appropriate the sum of \$1045 to strap and insulate library basement and strap, sheetrock and tape basement ceiling as phase I of a five year improvement program. Other projects to follow include: (1) Water and sewage hook-up; (2) Installation of a new furnace; (3) Refinishing library floor; (4) Finishing work in basement.

9. To see what sum of money the Town will vote to raise and appropriate for the continuance of the Baker River Audio Visual Center established by Federal Grant in 1974.

10. To see what sum the town will vote to raise and appropriate toward the maintenance of the Mt. Moosilauke Health Center.

11. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Town Hall and Municipal Buildings.

12. To raise and appropriate money for Cemeteries.

13. To raise and appropriate money for Parks and Playgrounds, including band concerts.

14. To raise and appropriate money for Town Welfare, Old Age Assistance and Soldier's Aid.

15. To see if the Town will vote to raise and appropriate the sum of \$3000 for the Volunteer Fire Dept.

16. To see if the Town will vote to raise and appropriate the sum of \$1000 to be placed in a Capital Reserve Fund for the use of fire equipment. The Fire Dept. will match this amount.

17. To see if the Town will vote to raise and appropriate the sum of \$2800 for the Police Dept. — 500 hrs. @\$3.75 per hour, 4000 miles at \$.17 per mile and \$255 for equipment and supplies.

18. To see if the Town will raise and appropriate the sum of \$201 to reimburse Chief John MacDonald for radios.

19. To see if the Town will vote to raise and appropriate the sum of \$175 to subsidize an ambulance service covering Woodsville and surrounding towns, including Warren.

20. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Warren F.A.S.T. Squad—Rescue I, to purchase necessary medical supplies and equipment.

21. To see if the Town will vote to pay the Warren F.A.S.T. Squad's phone bill.

22. To see if the Town will vote to raise and appropriate the sum of \$1266 for the Pemi-Baker Home Health Agency.

23. To see if the Town will vote to support the White Mountain Community Service and raise and appropriate the sum of \$716.25.

24. To see if the Town will vote to raise and appropriate the sum of \$250 for Civil Defense, to establish an escrow account.

25. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith, or take any other action hereon:

Appropriation	Amount
Austin-Western Grader Payment	\$ 3,000
Roads	5,000
Maintenance Town Buildings	5,000
Street Lights	2,000
Total	<u>\$15,000</u>

or as an alternative schedule

Street Lights	\$ 5,000
Insurance	7,000
Grader Payment	3,000

and to make pro rata reductions in the amounts if estimated entitlements are reduced, or take any other action hereon.

26. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

27. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting in 1981 or thereafter and to establish a Capital Reserve Fund for the purpose of conducting such revaluation.

28. To see if the Town will vote to raise \$7000 to be placed in the Capital Reserve Fund for the revaluation of the Town by the Appraisal Division of the Department of Revenue Administration.

29. To see if the Town will vote to raise and appropriate the sum of \$260 for Cottage Hospital.

30. To see what sum of money the Town will vote to raise and appropriate for Sceva Speare Hospital.

31. To see if the Town will vote to raise and appropriate the sum of \$405.97 for White Mountain Region Association.

32. To see if the Town will vote to raise and appropriate the sum of \$800 for the Tax Map, to be placed in an escrow account.

33. Shall the provision of Chapter 117A of the Revised Laws, relative to playing Beano, be adopted in this town?

34. To see if the Town will vote to raise and appropriate the sum of \$370 as the town's share of the operation of the North Country Council.

35. To see if the Town will vote to continue the Land Fill or Rubbish Disposal Committee, to study the possibilities of a local or regional concept, and raise and appropriate \$1000 for same.

36. To see if the Town will vote to continue the Conservation Commission under the provisions of RSA 36A, raise and appropriate funds for same, and update membership.

37. To see if the Town will vote to authorize the Selectmen to administer, lease, rent, sell or otherwise dispose of any real estate or mineral rights acquired by the Town at any of its Tax Collector's sales.

38. To see what action the Town will take in adopting and enforcing a leash law.

39. To transact any other business that may come legally before this meeting.

Given under our hands and seal, this 13th day of February, in the year of our Lord nineteen hundred and seventy-nine.

FLOYD R. RAY
JOHN A. ROGERS
NORMAN R. ROULX

1978 proved to be a very active year for Joseph Patch Library. The total circulation from January through December was 3869, an increase of 517 over the 1977 total. Of this total, 1805 were adult fiction, 1090 children's books, and the balance non-fiction, magazines, films, cassettes, and records. During the year, 1200 books were borrowed from the State Library and 96 books were added to our shelves through purchase and gifts. A portable slide projector, cassette player, and records are available in our library, as well as other materials through the AV Center.

Other services include use of the State Program for the Handicapped and movies for the Warren School in January, May, November, and December. Hours open were increased in October, due to the Library Aide, Mrs. Joyce Farley, to 12 hours per week, the State's requirement for a

town the size of Warren. Through AARP funding, Mrs. Farley is also assisting in the listing and cataloging of all the library books.

Physical improvements include patched and painted ceiling and walls, fluorescent lights, and insulation of the entire ceiling. Lights were added to the basement by the Scouts who made use of the building part of the year. Future necessary improvements of the library include a furnace, water and floors to make it a useful, much-used, attraction in Warren.

In July, Joseph Patch Library sponsored the puppet show presented on the Common by the University of N.H. This was made possible by the donations of the United Methodist Women and the Willing Workers of Glencliff. The show was well-attended and our thanks go to the two organizations for making it possible.

Respectfully submitted,
ANN HEITZ
Librarian

AUDITORS' REPORT

We certify that we have examined all the books and accounts of all the town officers, and also audited the Revenue Sharing Accounts and found them all to be correct and in good order.

SUSAN W. SPENCER
Auditors of Warren

REPORT OF DISTRICT FIRE CHIEF and TOWN FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

REPORT OF MT. MOOSELAUKEE HEALTH CENTER, INC.

At the beginning of 1978, the future of Mt. Mooselaukee Health Center was uncertain. There was a building in need of repair, a practice in need of supplies, an advanced Registered Nurse Practitioner (Miss Gage) and a collaborating physician (Dr. Bentwood) in need of salaries. The practice needed to be built up or Miss Gage would have had to leave and the Center closed. Fortunately, she was willing to stay to see what she could achieve. The going was very difficult not only for her, but also for the Trustees whose responsibility the Center is.

When things were really low, the idea of becoming a National Health Service Corps Site under H.E.W. auspices was presented. Such an alliance would assure the Center of two years' Federal backing in the form of a grant for start-up costs, equipment and supplies, and the provider's salary plus professional counsel. After much investigation and considerable soul searching, the Trustees signed the Memorandum of Agreement even though they realized that they would now be committed to a business which would have to be conducted in an ordered way. They were willing especially because they knew that acceptance as an N.H.S.C. site would give them the badly needed financial aid. They reasoned that after two years the Center could no doubt carry on with revenue from the patients and anticipated help from the area towns. Encouraged by the favorable reaction to the March 9 informational meeting and later by the support of the towns, the Trustees pushed on.

To secure the N.H.S.C. status they had to have this area designated as a Critical Health Manpower Shortage Area (CHMSA) and a Medically Underserved Area (MUA) so that the government could appreciate our need for assistance. This required much research and correspondence. In April, the area was designated CHMSA and in May, MUA.

The next step was to formulate a Memorandum of Agreement between the Center and Federal government. This paper identifies the responsibilities of each party.

After the MUA had been accepted, the Principles of Practice had to be developed. Herein are set down rules and regulations for the business, which the Center now is pertaining to its management and administration as well as to the patient management and health care delivery. On July 17, the Center became officially a N.H.S.C. site, equipped for various laboratory services as well as for minor surgery.

Now application has been made for certification under the Rural Health Clinic Act. Such certification will make the services of Miss Gage eligible for

reimbursement in Medicare and Medicaid programs. The first step, approval of the physical plant, has already been met.

The Trustees had a busy year, researching, recording and preparing all this material. There were extra meetings and meetings with Federal representatives: Ken Hanover, an architect from Washington (there will be some alterations), Leo Fishel, an accountant from Family Health Service to explain the complex bookkeeping system required, Dr. Dan Lasser, Medical Supervisor and Miss Jennal Wallach, Organization Supervisor, both of HEW.

An extensive revision of the Articles of Association and of the By-laws were also part of this year's work.

Miss DeEtta Shimek has been working as part-time bookkeeper-receptionist; Doctor Andrew Rowles replaced Dr. Kaler.

The Center received several gifts: \$500 from Plymouth Guaranty Savings Bank; a wall-mounted blood pressure unit from Farley's Drugs; furniture, medical supplies and equipment from Dr. Copenhaver; an emergency kit given in Memory of Edna Ryder; children's furniture from Billie Gage and Gary Jesseman; trash disposal by Kenneth Bancroft; from the ever-helpful Auxiliary, new draperies, chair pillows made by Josephine Timms, and \$200 toward the answer phone as well as numerous incidental contributions of time and service. There were donations of unbounded service donated by many folks of the three towns. To every one, the Board of Trustees is grateful, very especially to the ex-officio members: Sandra Hair, Ruth Haywood, Billie Gage and Edward Sirlin. Without their guidance and advice most of what was done this year would not have been accomplished.

Following is a list of the number of visits made to the Center in 1978: Warren, 644; Wentworth, 427; Rumney, 142; Pike, 29; Plymouth, 23; others, 40, making a total of 1305 visits.

The Board now numbers twenty members.

WARREN F.A.S.T. SQUAD – RESCUE I

Since March 1, 1978 we have welcomed 4 new members. 2 of these members have completed advanced first aid and C.P.R. courses, 1 having completed an E.M.T. course and the other is our new public relations director.

We have had 3 more red phones installed, giving us a total of 9 red phones - 6 in Warren and 3 in Wentworth.

We have purchased a radio that is installed in our rescue vehicle. This radio allows us to be in contact with both hospitals and ambulance services at all times. The radio was bought through donations received in memory of Mrs. Addie Ames, Mr. Fred Brown, and Mr. Osceola Dunklee.

Our beanos are now on a weekly basis. These along with our raffles have been our major source of income which has gone toward purchasing necessary medical supplies and equipment and our phone bill.

At this time we'd like to thank you for your continued support.

March 1, 1978 – December 31, 1978

SOUTH MAIN STREET WATER DISTRICT

Warrant for Annual District Meeting

To the Inhabitants of the South Main Street Water District in the Town of Warren, State of New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the home of Everett Goodwin in said Warren on Thursday, March 29, 1979 at 8:00 o'clock in the evening to act upon the following matters.

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a treasurer for the ensuing year.
4. To choose an auditor for the ensuing year.
5. To choose one District Commissioner for a term of three years.
6. To hear the report of the district officers now serving and pass any vote relating thereto.
7. To see if the District will vote to approve the operating budget of the South Main Street Water District for 1979 as prepared and presented by the District Commissioners.
8. To see if the District will vote to authorize the Commissioners to increase water charges in any amount to maintain an annual balanced budget.
9. To transact any other business that may lawfully come before said meeting.

Given under our hands and seal, this the twenty-second day of January in the year of our Lord One Thousand nine hundred and seventy-nine.

CARL E. WRIGHT
EVERETT W. GOODWIN
ARTHUR HIGHT

GLENN H. WRIGHT
Auditor

COMMENTS

It should be noted that the District made the final payment on the loan at the Pemigewasset National Bank. That payment was due in December 1977 but could not be paid until early in 1978 because of the lack of funds. This applies every year in the case of payments to the Commissioner who is in charge of maintenance and the Treasurer. These payments are always for the preceding year. While these amounts are not large, the fact remains that our income is less than our payments. Even a modest increase in expense now will create a continuing pattern of deficit spending.

If every household in the District were using water all of the time the income would be \$2400. This assumes year-around use at three houses which are currently shut off, and at present furnish no prospect of becoming regular customers. The simple fact is that some additional revenue is needed. At present it does not seem necessary to add a dollar to our present monthly rate as this would produce about \$250 and some of last year's expenses will not occur this year. A temporary solution might be a surcharge of \$8.00 per household, payable between May 1st and October 1st during the non-heating season. This would provide some "catch-up" revenue and perhaps avoid a general increase in rates, especially if year-around revenue increases.

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District in the Town of Warren qualified to vote in district affairs:

You are hereby notified to meet at the Warren Town Hall in said district on the 10th day of March, 1979 at 7:30 o'clock in the afternoon, to act upon the following subjects:

- Article 1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
- Article 2. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
- Article 3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
- Article 4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
- Article 5. To transact any other business that may legally come before said meeting.

Given under our hands this 7th day of February, 1979.

MINUTES – SCHOOL MEETING
March 11, 1978

The Meeting was opened at approximately 7:30 P.M. by Moderator Ted Marston.

Rev. Ruth Williamson opened the Meeting with a prayer.

The moderator stated that he failed to file as moderator for the school district and that he is a candidate for that office.

Approximately 40 people in attendance.

It was mentioned that Article #4 was not petitioned and was put in by mistake this year, it is asked that we pass over this article when we get to it.

Article #1. Motion that we accept the salaries as printed in the town report for the School Board, Treasurer, Moderator, Clerk and Truant Officer totaling \$1,090.00. Carried.

School Board:		Treasurer	\$250.
Chairperson	\$300.	Clerk	\$ 15.
Member	\$200.	Moderator	\$ 15.
Member	\$200.	Truant Officer	\$ 10.

Article #2. Motion that we accept the reports of the School Board as printed in the Town Report. Carried.

Article #3. No action taken in this Article.

Article #4. No petition this year. Motion – Article IV be tabled this year.

Article #5. Motion to raise and appropriate the sum of \$176,213.76 (P. 75 Town Report). Carried.

Article #6. Motion that we adopt this Article as read. Carried. (excluding from social security services performed by election officials or workers if remuneration is less than \$50.)

Article #7. At this time Moderator asked if either Mr. Mullen or Mr. Haskins had anything to say – some reasons why our budget is up – our share went from 3.93% to 4.50%. Had to add:

Prescriptive Teacher	Computer Service
Speech Therapist	Insurance
Psychological Service	Music, Art, Phys. Ed.
Salary increases for Superintendent and Assistant	

With help from state and federal aid, the hot lunch program pretty well carries itself.

Our share:

To run Supervisory Union	\$5,434.91
Itinerant Teachers	\$5,391.32

Resolution: It is with regret that we accept the resignations of:
Barbara Pike and
Dorothy Jesseman

Rising vote of thanks for their many years of dedicated service.

Respectfully submitted,

JUDITH L. LUPIEN
School District Clerk

SUPERVISORY UNION #23

REPORT OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1978-79 school year, will receive a salary of \$26,365.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$23,865.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$21,700.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education, and \$19,200.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

	Superintendent's Salary	Travel
Bath	\$ 1,274.39	\$ 160.20
Benton	312.63	39.30
Haverhill Cooperative	10,412.30	1,308.90
Lincoln-Woodstock Cooperative	7,985.23	1,003.80
Monroe	1,386.56	174.30
Piermont	1,419.97	178.50
Warren	1,073.92	135.00
	<u>\$23,865.00</u>	<u>\$3,000.00</u>

	Assistant Superintendent's Salary	Travel
Bath	\$ 1,025.28	\$ 106.80
Benton	251.52	26.20
Haverhill Cooperative	8,376.96	872.60
Lincoln-Woodstock Cooperative	6,424.32	669.20
Monroe	1,115.52	116.20
Piermont	1,142.40	119.00
Warren	<u>864.00</u>	<u>90.00</u>
	\$19,200.00	\$2,000.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Warren School District:

I submit, herewith, my ninth annual report as Superintendent of Schools.

REPORT OF SCHOOL NURSE

The following is a report of the health services for the school year 1977-1978.

Heights, weights, routine vision and hearing screening, health conferences, first aid, and assisting parents with health provider follow-up are all part of the routine health work.

Home visits were made as necessary or requested for any health problem.

Preschool registration was held in May. To inform you of the required immunizations, they are as follows: Measles, mumps, rubella (German Measles), TB tine test within 1 year, DPT (three shots and a booster), DT booster if indicated, Polio (3 drinks and a booster), a physical exam by a health care provider is required for all first graders.

Three immunization clinics were done at the school to bring many of the children up-to-date on their shots.

Physical exams for the pupils in grades 2, 4, and 6 were done at the Mount Mooselauke Health Center. 19 children were seen and several health problems were found. These were treated at the Center or referred to another health care provider.

Dental clinic with Dr. Saladino in Bradford was offered in the spring and many of the students had an opportunity to take advantage of this service.

I wish to thank the staff for their interest and aid in providing good health care for the children. I also thank the parents and students for their cooperation. Good team work among the school board, teachers, students and parents helped avoid problems when we had an outbreak of strep throats. Again, I thank you all for your help.

Respectfully submitted,

BILLIE GAGE, A.R.N.P.
School Nurse

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my fourteenth annual report to the voters of the Warren School District.

Last year's report dealt primarily with two major areas of concern facing Warren School District voters, the New Hampshire Accountability Plan and the formal implementation of the Handicap Law, P.L. 94-142. These programs are not now on the horizon, but are a very distinct part of our educational program.

First, the New Hampshire Accountability Program is in its infancy with a proposal from each supervisory union or school district due in Concord by March 31, 1979. A proposal has been written and submitted to each school board for board action prior to the deadline date.

In this plan, we have projected a time frame of two years to comply with the implementation of the proposal. Some of the major challenges to everyone concerned with education vis-a-vis accountability will be:

- How to assure that hard policy decisions do not result in soft implementation.
- How to motivate students to meet the minimum standards.
- Communicating to parents, citizens, teachers and other staff members that the minimums are meant as a floor.
- How to remain patient, rather than abandon the movement because it does not solve the problems in two or three years.
- How to make sure the skills tested are imbedded in the curriculum but, at the same time, making sure they do not become the only curriculum.
- How to enable our school system to make the changes required of them, given present fiscal constraints, the sharp division between elementary and secondary philosophies and programs, and the need for extensive teacher training if all are to be required and responsible for teaching basic skills.
- How to accommodate handicapped students in the scheme of things to be provided. Advice is needed, for example, on how to establish competencies for handicapped students that can be incorporated into federally mandated individualized educational plans.

- Making school boards, administrators and teachers aware of possible legal challenges. One possible challenge is a charge of discrimination if the minimum competency tests measure knowledge or skills which were never taught in our school. Another could be the charge that minimum competency tests were not given an adequate phase-in period. There are a myriad of other problems associated with this program that will arise.

The greatest challenge we will all face is where do we draw the line in granting a high school diploma? Prior to confronting this dilemma we must make special efforts in the primary grades to teach all children the basics. It will not be easy, but we must proceed cautiously and prudently in providing children the opportunity to learn by changing our teaching methodology where past methods have not been successful. In doing so, we will provide a guide to the clients of education that those who cannot or will not learn shall not be granted a diploma.

The special session of the New Hampshire General Court in the Spring of 1978 changed the funding requirements for school districts under P.L. 94-142. All school districts are obligated to pay double the state average per pupil cost for any out-of-district placement. Before any child is assigned to another school in another district we must obtain the approval of the New Hampshire Department of Education, since they must pick up the difference between twice the state average and the total cost. There are many other variations to the guidelines and law; consequently, we are all attempting to streamline the operations.

Another area of concern which most people do not wish to recognize or simply will not pay adequate attention is to the use of energy. If the situation continues to deteriorate, and we are faced with rationing of gasoline and heating fuel, brownouts and other conservation possibilities; we must prepare for certain eventualities within the school district.

The question of tuition is always a very valid one since approximately one-half of the school budget goes towards the funding of tuition. In my report of last year, the method for setting the tuition rate in the Haverhill Cooperative School District was discussed in detail. All this has changed — this year the receiving district (Haverhill Cooperative) has voted to set tuition rates on a per pupil cost projection based on the 1979-80 recommended budget instead of using the per pupil cost of the previous year. Some of the high school tuition charges in the area are:

Plymouth Area	\$1,616.35
Plymouth Non-Area	1,636.46
Haverhill Cooperative	1,650.00
Oxbow	1,995.00
Orford	1,650.00
Hanover	2,392.00
Thetford Academy	2,150.00

May I take this opportunity to thank the Warren School Board, faculty and voters for their support during the past year.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my ninth annual report to the voters of the Warren School District.

Our annual Fall Workshop was held on August 30th at Lin-Wood High School. The main theme of the conference was directed at the following question: How do we get creative writing back into the curriculum? This question is a very vital one in today's classroom, even with our renewed emphasis on basic instruction, learners are too often viewed as receivers of information rather than senders. Most tests are designed to assess the number of facts a child has accumulated rather than his ability to communicate those facts. Presently a far greater premium is placed on a student's ability to read and listen than on his ability to speak and write. These are very serious considerations given the fact that good vocal and written expression are essential to the democratic process. Dr. Thomas Newkirk from the University of New Hampshire was our workshop consultant. The entire day was spent in helping teachers in each subject area and at each grade level to provide a greater variety of writing experiences for their students.

On April 10-11, 1978 all schools in Supervisory Union #23 were visited by a Special Education Evaluation Team from the New Hampshire State Department of Education. The purpose of the evaluation was to determine whether we are in compliance with state and federal laws relative to the education of the handicapped. Under the format used by the team, approvals could have ranged from non-approval to approval for a period up to five years. In a letter from Commissioner Brunelle dated June 9, 1978 we were informed that Supervisory Union #23 had been awarded a four year approval. A summary report of the evaluation team's findings is available in another part of the School District Report under the heading, State Department of Education's On-Site Review of Special Education Programs In Supervisory Union #23. In general we feel that the report was very favorable.

In November Mr. Doug Brown from the Department of Education inspected our school buildings with respect to new federal legislation which requires us to remove all architectural barriers to handicapped students. This law applies primarily to students with severe physical handicaps such as students confined to wheel chairs, severe visual and hearing impairments and heart disease. It is very difficult to determine exactly what our responsibilities will be relative to this legislation since there is no way to predict the number of physically handicapped children we may have to educate or the nature and severity of their handicapping conditions. In any case it is reasonable to assume that some of our long range concerns may include modification of toilet

facilities, extension of handrails at the landings of stairways, visual fire warning systems and the like. All schools have recently completed a self evaluation with respect to compliance with these regulations. We have until September 1, 1980 to assure that there is complete program accessibility for handicapped students.

In the area of instruction, both teachers and administrators will be working to meet the accountability deadlines mentioned in Mr. Mullen's report. If our efforts are successful, we will have compiled a continuum of measurable skills in each subject area and at each grade level. Together with these we will formulate competency tests at the end of grades four, eight and twelve. The results of these tests will provide parents and the public in general with more precise information as to how well our children are performing. Also, these tests will allow teachers to judge a child's strengths and weaknesses and to adjust instruction accordingly.

My sincerest thanks to the School Board, the staff and everyone connected with the Warren School District for their excellent support.

Respectfully submitted,

HAROLD J. HASKINS

Assistant Superintendent of Schools

ON-SITE REVIEW OF SPECIAL EDUCATION PROGRAMS IN SUPERVISORY UNION #23

**New Hampshire State Department of Education
April 10-11, 1978**

INTRODUCTION

The evaluation team would like to thank the staff of Supervisory Union #23 for their gracious assistance to the evaluation team during their visit on April 10-11, 1978. The visits of the team required close scheduling and coordination. The staff persons of the Supervisory Union were always available to assist in any way (the evaluation team especially appreciates the help from Mrs. Shari Stolper). Mrs. Stolper spent a great deal of time traveling on behalf of the evaluation team to insure that records were available and to provide the team with any required clerical assistance.

Supervisory Union #23 is spread over a large sparsely populated geographical area. Most of the schools within the Supervisory Union have a small population, making it difficult to provide a wide range of special education services. The evaluation team was particularly impressed with the imaginative ways of which the special education team of the Supervisory Union has met this challenge.

SECTION II

Program Commendations

The evaluation team would like to commend: (1) The school by its assistant superintendent, principal, and other administrative personnel for their wholehearted support given to special education programs within Supervisory Union #23; (2) The special education program staff for their enthusiastic, knowledgeable, and serious attitudes towards carrying out their duties; (3) The creative way in which the Supervisory Union #23 utilizes aides to supplement a variety of special education services; (4) The prescriptive teacher for her role in providing quality leadership to the special education programs throughout Supervisory Union #23; (5) The comprehensive process called out for the evaluation of special education students throughout the Supervisory Union; (6) The manner in which confidential files were kept up-to-date, complete, and conclusive; (7) The Supervisory Union for providing released time to professional personnel each week for carrying out staffings, parent conferences, and related activities; (8) The employment of certified and qualified special education professional staff teaching in the areas of specialization;

(9) The adequate funding of special education materials and equipment as requested by the professional staff; (10) The smooth and supportive relationship of professional staff members towards each other; (11) The high level of parental acceptance of the programs for special needs children within Supervisory Union #23; and (12) The future plans of the professional staff for program development and improvement.

SECTION III

Program Recommendations and Suggestions

Summary Statement. The committee is quite impressed with the manner in which Supervisory Union #23 is attempting to meet the intent of state and federal regulations pertaining to educational programs for handicapped children. Such a high quality of service is only possible when the total administrative team of a Supervisory Union is working together regarding program goals and objectives.

Evaluations of students are recent and to the point. While the union does not have sophisticated psychological services available on a universal basis, funds were readily spent for such services which simpler levels of evaluation did not provide the needed information. Special education personnel made very appropriate use of less sophisticated evaluation materials to create effective evaluation profiles of students.

The level of involvement of non-special education personnel such as school principals and regular classroom teachers was excellent. Team members did not sense any isolation of special education personnel from the rest of the staff of the school.

The Supervisory Union #23 should be proud of its efforts to meet the needs of special education students. They are making excellent use of the resources available to them.
